INGREDIENT & EFFICACY - Raphanus sativus

Raphanus Sativus

It is an extract of white radish that regulates the turnover cycle of the skin. It helps to remove itchiness by suppressing inflammatory factors in skin cells. It has a refreshing effect that recovers the skin into its original state with fast skin calming function.

- ✓ Increases moisture for dry skin
- ✓ Calming for sensitive skin
- ✓ Safe and hyper allergenic
- ✓ Normalize skin cell cycle
- ✓ Blocks moisture evaporating
- ✓ Decrease skin temperature

Goocos Natural Skincare Cosmetic

A close-up photograph of two green coconuts resting in a light-colored woven basket. The coconuts have a smooth, green, slightly waxy-looking skin. The basket is made of thin, light-colored woven material, possibly bamboo or straw, and is partially visible around the coconuts.

A close-up photograph of several white daisy flowers with bright yellow centers. The flowers are in various stages of bloom, with some fully open and others as buds. The background is a soft, out-of-focus green, suggesting foliage. The image is framed by a thin teal border.

A close-up photograph of an orange flower, likely a gerbera, showing the vibrant orange petals and the textured, yellowish-brown center. The image is framed by a thin green border.
